# We're community media's biggest supporter

---

Last year we granted more than

- \$20.5 million
- to support 176 organisations
- to communicate, connect and share knowledge with their communities through radio, television and digital media

# Grants

---

We distribute more than \$20 million funding across four grant programs:

- Content
  - Specialist Radio Programming
  - Development & Operations
  - Sector Investment
- 
- Begin the grant application process early
- 
- Contact the Grants Support Team to discuss your idea and ask any questions

# Impact

---

Assessors assess and score applications against all 4 criteria:

- Idea – a reasonable proposal or concept with a demonstrated need (20%)
- **Impact – demonstrable, positive outcome for the station/volunteers/community/sector (40%)**
- Capacity – the organisation can deliver on its goals (20%)
- Planning – clear planning and good value for money (20%)

# Assessors

---

Our team of volunteer **Grant Assessors** independently review, score and provide advice on grant applications to our **Grants Advisory Committees**.

Appointed by the **CBF Board** through a nomination process, Grant Assessors are called on twice annually to review incoming applications.

This team sit at the heart of our peer-to-peer review process.
